

# Exceed Series Food Waste Disposers

## Product List

### Model: ES400

Standard, 1/2HP  
Continuous feed  
Cyclone™ DC motors and grinding system  
Never jam, never clog  
Stainless steel wear-resistant,  
corrosion-proof grinding components  
Quiet operation  
Bio-Guard  
The easiest installation  
Power cord attached  
Spar Black, light silver, Mik-white, Bohr Red

### Model: ES600

Standard, 3/4HP  
Continuous feed  
Cyclone™ DC motors and grinding system  
Never jam, never clog  
Stainless steel wear-resistant,  
corrosion-proof grinding components  
Quiet operation  
Bio-Guard  
The easiest installation  
Power cord attached  
Spar Black, light silver, Mik-white, Bohr Red

### Model: EM400

Mid-Duty, 1/2HP  
Continuous feed  
Cyclone™ DC motors and grinding system  
Quieter operation  
Never jam, never clog  
Stainless steel wear-resistant,  
corrosion-proof grinding components  
Bio-Guard  
The easiest installation  
Power cord attached  
Spar Black, light silver, Mik-white, Bohr Red

Food Waste Disposer Global Leader

**Model:EM600**

Mid-duty,3/4HP  
Continous feed  
Cyclone TM DC motors and grinding system  
Quieter operation  
Never jam,never clog  
Stainless steel wear-resistant,  
corrosion-proof grinding componets  
Bio-Guard  
The easiest installation  
Spar Black,light siliver,Mik-white,Bohr Red

**Model:EH400**

Heavy-duty,1/2 HP  
Continous feed  
CycloneTM DC motors and grinding system  
Quieter operation  
Never jam,never clog  
Stainless steel wear-resistant,  
corrosion-proof grinding componets  
Bio-Guard  
The easiest installation  
Power cord attached  
Spar Black,light siliver,Mik-white,Bohr Red

**Model:ED600**

Deluxe, 3/4HP  
Continous feed  
CycloneTM DC motors and grinding system  
Quietest operation  
Never jam,never clog  
Stainless steel wear-resistant,  
corrosion-proof grinding componets  
Bio-Guard  
The easiest installation  
Power cord attached  
Spar Black,light siliver,Mik-white,Bohr Red

**Model:ED800**

Deluxe,1HP  
Continous feed  
CycloneTM DC motors and grinding system  
Quietest operation  
Never jam,never clog  
Stainless steel wear-resistant,  
corrosion-proof grinding componets  
Bio-Guard  
The easiest installation  
Power cord attached  
Spar Black,light siliver,Mik-white,Bohr Red
