

# Warranty Terms

1. Ningo Clear Technology Co., Ltd (Clear Technology) warrants to our distributors and customers that our food waste disposers are free from defects in workmanship and material when operated under normal conditions.
2. Clear Technology shall provide standard factory (3) years warranty for the products (the "Warranty Period") from the date of original purchase, except in the following condition: failures caused by abuse, misuse or natural disasters (such as earthquakes, floods, and fires) are not covered within warranty.
3. Warranty services to customers are provided by our distributors worldwide.
4. Clear Technology suggests local distributors extend warranty period in accordance with local consumers' requirements.
5. Usually, Clear Technology delivers 2% more of purchasing order quantity to our distributors for per order as warranty charge (Maintenance service charge).
